Lapel Pins w/Stones

# Karat Gold and Sterling Silver

Emblematic Rings

Bracelets

Pendants

Brooches

An attractive, popular and cost effective way to recognize your top performers and valued employees is through an "updateable" jewelry program that recognizes achievement. As your recipients meet goals and objectives you can continue to inspire and recognize them by having us set additional diamonds or other gemstones in their ring, lapel pin or other recognition jewelry award. This "Add a Jewel" capability, when combined with our beautiful and powerful designs, becomes a high value business solution.
